You drive me to drink
But I'm in for the whole trip I promise
You won't go out with the drunk on the road
Or use yer fork to search for the toast
Girl I ain't easy
And any ass could see
But I can't believe
Just watcha doin' to me

I'm falling this way and I
I'm stumbling over there but I
Can't believe watcha doin' to me
The sweetest sound yeah
To knock this lightweight down but I
I can't believe watcha doin to me

Shake my trunk
And I wake like from a three day drunk
As my branches hit the ground
I'm finally comin around
Bury me deep in my
Oh my wedding shoes
Lay me flash
Just fifty bucks cash it's the
One day I never wanna lose
I'm falling this way and I
I'm stumbling over there but I
Can't believe watcha doin' to me
The sweetest sound yeah
To knock this lightweight down but I
I can't believe watcha doin to me

I'm falling this way and I
I'm stumbling over there but I
Can't believe watcha doin' to me
The sweetest sound yeah
To knock this lightweight down but I
I can't believe watcha doin to me
I never felt so jealous or felt so alive
I feel like I could run
I feel like I could die
I can't believe watcha doin' to me

I can't believe watcha doin' to me
