=====  
You Am I - You And Your Sister  
=====

by Chris Bell

Say my love aint real

They don't know how real it feels.

All I want to do is to spend some time with you.

I can hold you.

Let me whisper in your ear

Don't you worry, they won't hear.

All I want to do is to spend some time with you.

I can hold you.

Friends will fade away.

I just want to hear you say.

That your love won't be leaving.

That your eyes aint decieving.

Love you everyday.

Just want to hear you say.

Sister says that I'm no good.

Reassure her if I could.

All I want to do is to spend some time with you.

I can hold you.
