I've written so many letters to you  
That you haven't written me back yet  
So I wonder if you even care that I'm  
No longer hiding my affection to you

Here you are and here I am now  
Here you are and here I am now  
Here you are and here I am now  
I can not deny that I'm crazy for you  
Here you are and here I am now  
Here you are and here I am now  
Here you are and here I am now  
I can not deny that I'm crazy for you

I've callen you so many times only to  
Hang up without you knowing it was me  
So now I'm admitting that I've liked you for so  
Long now and I'm telling you my feelings for you

Here you are and here I am now  
Here you are and here I am now  
Here you are and here I am now  
I can not deny that I'm crazy for you  
Here you are and here I am now  
Here you are and here I am now  
Here you are and here I am now  
I can not deny that I'm crazy for you

Here you are and here I am now  
Here you are and here I am now  
Here you are and here I am now  
I can not deny that I'm crazy for you  
Here you are and here I am now  
Here you are and here I am now  
Here you are and here I am now  
I can not deny that I'm crazy for you
