I won't do it...
I won't do it...
I won't do it...
I won't do it...
I won't do it...
I won't do it...
I won't do it...
I won't do it...
I won't do it...
I won't do it...
I won't do it...
I won't do it...
I won't do it...
I won't do it...
I won't do it...
I won't do it...
I won't do it...
I won't do it...
I won't do it...

It's always the same damn time
The same damn day
It's never different at all
The word is out
I've got to stay this day
I can't leave at all
Today

It's always the same old face
The same old night
It won't be different this fall
The ship was sunk
I've got to stay tonight
I can't leave this fall
Tonight

I don't wanna do this
I don't wanna do this
I don't wanna do this...
I don't like it

I don't wanna do this...
I don't want it
I don't wanna do this...
I can't stand it
(I don't wanna do this...)
I won't do it

I won't do it...
I won't do it...
I won't do it...
I won't do it...
I won't do it...

It's always the same wrong words
The same wrong lies
It will always be too tall
Something came up
I've got to tell these lies
I can't walk too tall
No more

It's always the same dumb tales
The same dumb crap
The floor was mopped
I've got to hear this crap
I don't want to be lame
At all

I don't wanna do this
I don't wanna do this
I don't wanna do this...
I don't like it
I don't wanna do this...
I don't want it
I don't wanna do this...
I can't stand it
(I don't wanna do this...)
I won't do it

I don't wanna do this
I don't wanna do this
I don't wanna do this...
I don't like it
I don't wanna do this...
I don't want it
I don't wanna do this...
I can't stand it
(I don't wanna do this...)
I won't do it

You tell me to do, yeah, to do it but

I don't want to do, yeah, to do it
You can't make me do, yeah, me do it and
I will not do, yeah, not to it
(No...)
I won't do it
