If it weren't for your good mornings
I'd be a mess all day long
If it weren't for your directions
My roads would seem all wrong

If it weren't for your true honesty
I'd be lying to myself
If it weren't for your belief in me
I'd be trying to be someone else

CHORUS

Something about your way
You make me feel alive
Your colors paint my world
When it looks black and white
You see my silver lining
You make me want to shine
It's every little thing you do and say
Something about something about your way

If it weren't for your conversations
I'd be a mumble when I talk
If it weren't for your momentum
I'd be a stumble where I walk

If it weren't for the years you gave to me
I'd be wasted growing old
If it weren't for all our memories
I just want to let you know

CHORUS

I don't know what it is
Oh you got it ya you got it
You got me
As far as I can see
You rock my world my one of a kind
I'm so glad your mine all mine

CHORUS**CHORUS**

Na na na ,..
