I am the man who knows it all.
I am the man who does it all.
I am the man who sings it all.
I am the man who has no talent at all.
Yeah!

I am the man who knows it all.
I am the man who does it all.
I am the man who sings it all.
I am the man who has no talent at all.
Yeah!

I am the man who knows it all.
I am the man who does it all.
I am the man who sings it all.
I am the man who has no talent at all.
Yeah!

I am the man who knows it all.
I am the man who does it all.
I am the man who sings it all.
I am the man who has no talent at all.
Yeah!

I am the man who knows it all.
I am the man who does it all.
I am the man who sings it all.
I am the man who has no talent at all.
Yeah!

I am the man who knows it all.
I am the man who does it all.
I am the man who sings it all.
I am the man who has no talent at all.
Yeah!
