True lies
Telling the truth as you lie
Sometimes they can see it in your eyes
Feels like you're going to die
Do you like how it feels?
Sometimes your wounds don't heal
True lies as you make deals
True lies at every meal
Nobody can stand the pain
It's too insane
True lies
Everything dies

Tell the truth and lie
Feel the pain and die
It's bad - the way it feels
True lies as you make deals
The pain
It's too insane
True lies
Everyone dies

Tell the truth and lie
Feel the pain and die
It's bad - the way it feels
True lies as you make deals
The pain
It's too insane
True lies
Everyone dies

Tell the truth and lie
Feel the pain and die
It's bad - the way it feels
True lies as you make deals
The pain
It's too insane
True lies
Everyone dies
