From the first time I saw you  
I knew that I would always love you  
Now every time I lay my eyes on you  
I keep falling deeper in love with you  
Every time I think, it's always of you  
Girl, I fell in love with you.

I love you  
You, you, you  
I love you  
You, you, you  
I love you  
You, you, you  
I love you  
You, you, you  
I love you  
You, you, you  
I love you  
You, you, you

I can't help it that I love you  
I can only think of you  
Only you, you, you  
It's only you, you, you  
I can only think of you  
Girl, the feelings I have are of you

Harder - my heart beats when I see you  
That proves that I really love you  
I can't help my feelings for you  
Girl, I must love you  
Every time I think, it's of you  
Girl, I fell in love with you

I love you  
You, you, you  
I love you  
You, you, you  
I love you  
You, you, you  
I love you

You, you, you  
I love you  
You, you, you  
I love you  
You, you, you

I can't help it that I love you  
I can only think of you  
Only you, you, you  
It's only you, you, you  
I can only think of you  
Girl, the feelings I have are of you

Girl, I can't help it that I love you  
When I first saw you  
I started to love you  
Girl, I fell in love with you  
Now I even dream of you  
Girl, I love you

I love you  
You, you, you  
I love you  
You, you, you  
I love you  
You, you, you  
I love you  
You, you, you  
I love you  
You, you, you  
I love you  
You, you, you

I can't help it that I love you  
I can only think of you  
Only you, you, you  
It's only you, you, you  
I can only think of you  
Girl, the feelings I have are of you

I love you  
You, you, you  
I love you  
You, you, you

You, you, you  
I love you  
You, you, you

You, you, you

I can't help it that I love you  
I can only think of you  
Only you, you, you  
It's only you, you, you  
I can only think of you  
Girl, the feelings I have are of you

I love you  
You, you, you  
I love you  
You, you, you  
I love you  
You, you, you
