ft. Meyhem Lauren

Easy pat , let a smoke out through the toe
Same shit, , phones, , we pre roll
What we missioning, take him for the trip
Take your girl down south where only feel the goods
We know the Caucasian sitting up in Brooklyn
Violation twice a month, , try to taste my patience
For the next 3 joints I made jail walking
Fuck an obstacle, catch me on my Chris walking
When he was rank I need , fuck the bank
I want that un clean money low level player rank
, in the finest car clothes
Got no dodgers on my team fam everyone the boss
A damn bin wasn't , for the city, for the streets , might
get you for a 50
Sniffers burning out they set the , go high
I mean you all high looking for a good time
Fuck the small talk stretching like a long ball
All of , why you fronting when you down for?
You had your time that you , all week
Beat they got a record full of f's that they never ,

I'm on some other shit, these , so fuck back
Son you looking for me, you can find me where the
work's at
Better yet, you can't find me at all
I play the shadows and only step out when niggers call
Fuck the mingling, maybe I , through
Break niggers jaw quick believe I squeeze through
, mentality, weapons of our reality
I got dormant demons waking up , that's try to
challenge me
Usually chill them but I , be
I , kill you, that be the galaxy
I , in, when niggers is known for drugs selling
The system was designed for my, you felon
, to peeps who keep traps set, and ever ,
It's possible, another day another obstacle
It's snowing in the winter but police can make it tropical
Can't control the , but I'm doing what I gots to do.

Thanks to Andrei
