so this is the end
of you and me
we had a good run
now i'm setting you free
to do as you want
to do as you please
without me

remember when..
you were my boat and i was your sea
together we'd float
so delicately
but that was back when
we could talk about anything

cause i don't know
who i am when you're
running circles in my head
and i don't know
just who you are
when you're sleeping in someone else's bed

3 whole words, and 8 letters late
and that would've worked
on me yesterday
we're not the same
i wish that could change..
but it can't

and i say your name
and in the same breath
i say something
that i'll grow to regret
so keep your hands on your chest
and sing with me
that we don't wanna believe

cause i don't know
who i am when you're
running circles in my head
and i don't know
just who you are

when you're sleeping in someone else's bed

so it's true what they say
if you love someone you should set them free
oh it's true what they say
you went and threw it all away

i don't know who you are
and i don't know who you are
and oh,
cause i don't know who you are
when you sleep with somebody else
cause i don't know who i am
when you're sleeping with him

and it's true what they say
you went and threw it away
