

You Me At Six "Hard To Swallow"

this is so hard to swallow
you keep your thoughts by your pillow
just so you can adore them
and just so we can ignore them

i'd rather leave than follow
i'd rather stay than go home
your moves have got so old
or so i've been told
but now you've lost it all

we're running out of time
we got things on our mind
and things that we just don't like
who'd you wanna say?
who'd you wanna be, tonight?

forgetting the promises that you make
is how your, your promises easily break
you sit on your fence
and i'll dig under it
i'll count my losses
and i'll count my sins
and i hope you find your head.

we're running out of time
we got things on our mind
and things that we just don't like
who'd you wanna say?
who'd you wanna be, tonight?
we're running out of time
we got things on our mind
and things that we just don't like
who'd you wanna say?
who'd you wanna be, tonight?

we were young and we were blind
we ignored the warning signs
how were we to know?
how were we to know?

we were close but still so far

we grew apart and out of touch
all i wanted was
all i wanted was to say..

we're running out of time
we got things on our mind
and things that we just don't like
who'd you wanna say?
who'd you wanna be, tonight?

we're running out of time
we got things on our mind
and things that we just don't like
who'd you wanna say?
who'd you wanna be, tonight?
tonight, tonight, tonight, tonight
