There's something that you don't know,
I've walked you off to keep you on your toes.
There's something that you didn't know,
I've grown some bones so I can walk you off.

Tonight, tonight, and everything's alright, tonight,
tonight.

If I were in your shoes,
I'd run a thousand miles just to tell you.
If I were in your room,
Using just my eyes I would tell you.
And I would tell you.

There's something that you didn't know,
You've got your teeth in me and it hurts.
And I'm a lie away from saying what i really think,
This is the bottom of the bottle saying swim or sink,
and you don't even need me now.

Tonight, tonight, and everything's alright, tonight,
tonight.

If I were in your shoes,
I'd run a thousand miles just to tell you.
If I were in your room,
Using just my eyes, using just my eyes.
And i would tell you...
If I were in your shoes,
I'd run a thousand miles just to tell you.
If I were in your room,
Using just my eyes.
I would tell you.

If I were in your shoes, in your shoes, in your

And I'm a lie away from saying what i really think,
This is the bottom of the bottle saying swim or sink,
and you don't even need me now.
