You're so good
and you're so bad
and everybody wants to be your man.
You're so good and you're so bad
and everybody wants to be
in your hair
and under your skin
and in those clothes
and on those lips.
But me.

Kiss and Tell
everybody else
and you're at your best
when I'm making
making baby steps.

You make the rules up as you go
So I've gotta make some of my own
You make the rules up as you go
so I'm gonna send your love home.

What did you expect from me?
I said there's so much more that you won't see.
What did you expect from me?
I said I'm smarter than
Him you see.

Kiss and Tell
everybody else
and you're at your best

when I'm making
baby steps
and I'm sick and tired
of being the good guy.
And I've done my time
you should
hit the back of the line.

I know you don't need to tell me
I know you don't need to tell me

I know you don't need to tell me
I know you don't need to tell me
I know you don't need to tell me
I know you don't need to tell me

I know you don't
I know you don't

Need to tell me
tell me.

Kiss and Tell
Everybody else
and you're at your best
when I'm making
baby steps
and I'm sick and tired
of being the good guy.
And I've done my time
you should
hit the back of the line.
