Young Sha

Uh, anything I ask mommy down for it  
every single thing I do, she always around for it  
beauty queen in her castle, she deserve a crown for it  
and for my attention, she'd act a clown for it  
uhh, she aint diggin for no gold  
she diggin for my soul  
yes this I know  
Her swag warms me when its cold  
So, when I go outside in the winter time shes my coat  
oh, you probably dont get it though, maybe if i spit it  
slow  
forget it yo'  
she more like an angel  
all she worried about is countin money on the table  
yea, and she hardly watch cable  
shes a star, and im her crator  
lil mommy got me head over hills  
and her favorte football team is the bills, for real

Chorus

Kassanova

you know what it is (how it is when im wit her)

and no shes not (not a gold digger)

but shes all about (all about her money, money)

man all she really want is cash

Cause She my lil Momma

Young Sha  
uhh. baby heaven sent  
even though she cheatin on me with dead presidents  
uhh..yea, shawty thats irrelevant  
keep makin that money honey thats proper etiquette  
uh huh, I took her out to dinner  
she paid for the meal, and then we drank some liquor  
we went to the telly, I hopped on the bed  
I wanted to have sex, she countin money instead  
uh, I cant get upset with her  
I wonder if i should ask to count her checks later?  
baby girl she the shit  
if it dont make dollars, it dont make sence  
she said "stack the hundreds like this,  
after you rubber band it, bag it, so they all stay crisp"  
if it wasnt for the money, she'd probably vanish  
so much bread we can make a fuckin sandwich  
yeah,
