(originally by Fall Out Boy)

Am I more than you bargained for yet
I've been dying to tell you anything you want to hear
Cause that's just who I am this week
Lie in the grass, next to the mausoleum
I'm just a notch in your bedpost
But you're just a line in a song
(A notch in your bedpost, but you're just a line in a
song)

Drop a heart, break a name
We're always sleeping in, and sleeping for the wrong
team

We're going down, down in an earlier round
And Sugar, we're going down swinging
I'll be your number one with a bullet
A loaded God complex, cock it and pull it
[x2]

Is this more than you bargained for yet
Oh don't mind me I'm watching you two from the closet
Wishing to be the friction in your jeans
Isn't it messed up how I'm just dying to be him
I'm just a notch in your bedpost
But you're just a line in a song
(Notch in your bedpost, but you're just a line in a song)

Drop a heart, break a name
We're always sleeping in, and sleeping for the wrong
team

We're going down, down in an earlier round
And Sugar, we're going down swinging
I'll be your number one with a bullet
A loaded God complex, cock it and pull it
[x2]

Down, down in an earlier round
And Sugar, we're going down swinging

I'll be your number one with a bullet
A loaded God complex, cock it and pull it

We're going down, down in an earlier round (Take aim
at myself)

(Down, down in an earlier round)

And Sugar, we're going down swinging (Take back
what you said)

(Down, down in an earlier round)

I'll be your number one with a bullet (Take aim at
myself)

(Down, down in an earlier round)

A loaded God complex, cock it and pull it

We're going down, down (down, down)

Down, down (down, down)

We're going down, down (down, down)

A loaded God complex, cock it and pull it

We're going down, down in an earlier round (Take aim
at myself)

And Sugar, we're going down swinging (Take back
what you said)

I'll be your number one with a bullet (Take aim at
myself)

A loaded God complex, cock it and pull it
