this is worse
worse than you think
i've just been told
to tell you that you're lovesick
i'm sweet
so everybody takes a bite
dig in on the curse of your demise

wash your sheets so i'll sell you mine
like the way, you acted that night
second best is what, what you want
and then it won't cost you that much
but me

i've got you hanging on every word i say
that don't mean a thing
and you love the way
i take your breath away
(so i take your breath away)

and have you
had, had your day
move close and i'll push you away
play it safe
i'm sick of keeping some face
play it safe
in the name of keeping your place

do what, what i tell you to
with arms, we'll carry this through?
can't wait, can't wait to see you

i've got you hanging on every word i say
that don't mean a thing
and you love the way
i take your breath away
(so i'll take, take, take)
i only have eyes for you
and it's so true
and i only have eyes for you
it's the truth, it's the truth
it's so true

(it's so true)
(it's so true)
(it's so true)

and i only have eyes for you
and i only have eyes for you

i've got you hanging on every word i say
that don't mean a thing
and you love the way
i take your breath away
(so i'll take, take, take)

i only have eyes for you
and it's so true
and i only have eyes for you
it's the truth, it's the truth

i've got you hanging on every word i say
that don't mean a thing
and you love the way
i take your breath away
(so i'll take, take, take)

i only have eyes for you
and it's so true
and i only have eyes for you
it's the truth, it's the truth
it's so true
