My ship went down  
In a sea of sound  
When I woke up alone  
I had everything  
A hand full of moments  
I wished I could change  
and a tongue like a nightmare  
That cut like a blade  
In a city of fools  
I was careful and cool  
but they tore me apart like a hurricane  
A hand full of moments  
I wished I could change  
but I was carried away

Give me therapy  
I'm a walking travesty  
But I'm smiling on everything  
Therapy you were never a friend to me  
and you can keep all your misery

My lungs gave out  
as I faced the crowd  
I think that keeping this up can be dangerous  
I'm flesh and bone  
I'm a rolling stone  
And the experts say I'm delirious

Give me therapy  
I'm a walking travesty  
But I'm smiling on everything  
Therapy you were never a friend to me  
and you can take back your misery

Arrogent boy  
love yourself so no one has to  
They're better off without you  
(They're better off without you)  
Arrogent boy  
Cause a scene like your supposed to  
They'll fall asleep without you  
You're lucky if your memory remains

Give me therapy  
I'm a walking travesty  
But I'm smiling at everything  
Therapy you were never a friend to me  
You can take back your misery  
Therapy  
I'm a walking travesty  
But I'm smiling at everything  
Therapy you were never a friend to me  
and you can choke on your misery
