verse 1

i know
something you don't
it comes and goes like the strength
in your bones whoa
so keep your mind
at rest
ill never let
the two of us be friends
does that hurt

chorus

underdog
just look at the mess you've made
its such a shame a shame
we had to find out this way

verse 2

you must have
you must have
moments
in your hands
and its sad
to feel that
the season
am gonna change
just not face to face

it aint broke so don't fix it

chorus

underdog
just look at the mess you've made
its such a shame a shame

we had to find out this way
revenge loves company
3 makes it a crowd
so watch your mouth
sit this one out

Bridge

and im down down but definitely not out
yeah why did you call me
i bet i bet we don't make it
coz i never take advice off my
friends in very hard places
there only makin best of themselves
selves oh very very selfish
we'll keep you in mind in the end

chorus
underdog
just look at the mess you've made
its such a shame a shame
we had to find out this way
revenge loves company
3 makes it a crowd
so watch your mouth
sit this one out
