It's Showtime (Showtime)

Showtime

Go (Go)

Work (Work)

Give In

Go, Go, Go, Go!

Catch the early train

to an early grave

Here we go

Don't tell me money doesn't matter

Money matters more than ever

Don't tell me money doesn't matter

I've got to buy some new things

Bend over backwards, buddy

Big Business is a bitter pill (It's a bitch)

Go and get the next big thing

Ram it in, get rich quick

Catch 22, Work like a dog (x2)

Swallow it..

Get up, get up

Put your suit on

I saw it in a magazine

I can't afford it, but it's definately me!

I saw it in a magazine

You can wash it off they say

I saw it on TV!

So get in the queue

Get in, do this ten

Its a bitch

Buy one, get one free

Buy this, swallow it, get rich quick!

Catch 22, work like a dog (x2)

I saw it in a magazine
I can't afford it, but it's definately me!
I saw it in a magazine
You can wash it off they said
I saw it on TV!

I've got my suit on
It's razor sharp
Get out of my way!

I love money
I've got to go to work!
Its a bitch

Catch 22 (do it)
Work like a dog (swallow it)
Catch 22 (do it)
Work like a dog (swallow it)
Catch 22 (do it)
Work like a dog!

Ohh, money
Smell that!
I've got my suit on
It's razor sharp
Get out of my way!
I hope I'm not late
I hate to be late

swallow it, swallow it!

Catch 22, Work like a dog
Catch 22 (do it)
Work like a dog (ram it in)

Don't tell me money doesnt matter
Money matters, more than ever
Don't tell me money doesn't matter
I've got to buy some new things

Catch 22, Work like a Dog..
