Mary Jane, Mary Jane

I'm a superstar, baby, I been on the radio
Be my barbie doll, baby, be my barbie doll
Let's go
Oh Mary Jane, I dress you up in disco clothes
Be my barbie doll, baby, be my barbie doll
Let's go

Mary Jane, Mary Jane

I'm a superstar, baby, I been on the radio
Be my barbie doll, baby, be my barbie doll
Let's go
Oh Mary Jane, never leave me on my own
I'll feed you little white lies
Be my barbie doll
Let's go
