we've got a situation hey hey hey
you tell me all is lost hey hey hey
cause when you got a problem hey hey hey
we gotta work it on out

you got it so bad
you'll fade to gray
cause when you got a problem hey hey hey
im gonna make it alright

i've gotta make you understand
all you need is a helping hand
i've gotta make you understand
we've gotta make it to the end

we need a revelation hey hey hey
i heard there's something wrong hey hey hey
cause when you got a problem hey hey hey
we're gonna work it out

you got it so bad
you'll fade to gray
we've got to get together hey hey hey
you gotta let it all out

i've gotta make you understand
all you need is a helping hand
i've gotta make you understand
we've gotta make it to the end

i've gotta make you understand
all you need is a helping hand
i've gotta make you understand
we've gotta make it to the end

you gotta let me know x2
before its all too late

you gotta let me know x2
before its all too late

(solo)

i've gotta make you understand
all you need is a helping hand
i've gotta make you understand
we've gotta make it to the end

i've gotta make you understand
all you need is a helping hand
i've gotta make you understand
we've gotta make it to the end
