"I'll be gone for a while  
Don't you know it's o.k.  
Don't worry baby, our love is the same

All the time I'll looking for it  
Chasing something I can't resist  
All the time taking care of it  
C'mon and let yourself go

(chor.) Take your time,  
baby you know you're mine  
Draw a line  
but baby you know you're mine

Sometimes I call you up  
And wonder things are o.k.  
Because when it takes so long  
you might be gone

All the tie I'll be looking for it  
Chasing something I can't resist  
All the time taking care of it  
C'mon and let yourself go

(chor.) Take your time...

You are mine,are mine,are mine,are mine

(chor.) Take your time...

Living life at the speed and sound  
Every damn place looks like the same town

Every morning every night by myself  
I'm gonna run for my life  
I'd better run like hell!"
