"I don't mind to waste your time
I just found a love that is true
I only have to know what to do

So please don't mind to waste my time
If you got a plan that will work
You can count on me take my world

(chor.) You know you've got it everything's right
Step outside and rock and roll tonight
You know you've got all of the time
step outside and rock and roll

We don't mind to waste our time
Taking it as far we can
Not really knowing where we might end

So here we are, looking for a shooting star
Crashing down the sky through the clouds
You might as well just smile join the crowd

(chor.) You know you've got it everything's right

Oooooooooohhhhhh YEAH

Yeah yeah yeah, take it easy

(chor.) You know you've got it everything's right

You know you've got it
You know I want it
You know I've got it
Yeah yeah yeah (hell yeah)"
