(La la la la la ooo, la la la la la ooo)  
They say that it's no use for me to try, try to love you  
Oh should I? (Should I tell them how it is?)  
Should I tell them? (That your love is-a really real)  
Your love is real, love is so real

Everybody's saying these things to me  
But they don't know that you can change  
Oh should I? (Should I tell them how it is?)  
Should I tell them? (That your love is-a really real)  
Your love is real, love is so real

Should I tell them how we met in secret?  
Should I tell them that our love's the deepest?  
Or darling, could I be wasting my time  
On people I've been crying

My love is the only love that they can say  
Is for always, but I wanna know  
Should I? (Should I tell them how it is?)  
Should I tell them? (That your love is-a really real)  
That your love is real, love is so real  
Darling, I wanna tell them that your love is real  
...& fade
