[J-Bo]

And not once but twice am I back on line
Remarkably delivering these words of mine
And when I come forth I come with such a force
You believe that it's been nice since the last time you
felt the need
And that's to get loose and let you soul be free
Cause when we step out in this vision you gon' surely
see
And ain't no way in hell we gon' let that ride
While you huggin' on the wall bein' cool denied
Now it done jumped off in the blind of an eye
And everybody's off the hook feelin' good and high
Cause it's the last call for alcohol so just jook and drink
and have a ball cause' we gon' party long until the wee
hours
And will it ever end I truly don't doubt it
Youngbloodz is the truth you seen now go shout it
And come back tomorrow and watch the world crowd it

[Chorus]

My drankin' patna, my ace, my dawg, know who I'm
gon' call

My drankin' patna, my ace boon coon, when it's time to
cut the fool
My drankin' patna, my buddy, by 'causez, loud when he
get 'em a buzz
My drankin' patna, my nigga, my folk, gotta drink and
he got to smoke, my drankin patna

[Sean Paul]

You know I'm a come in a blunt of 'dro and a corner of
hen'
My drankin patna get to it 'fore the day begin
Spillin' hen' all up in the Benz
I'm try'na get to my patna so he can sip some wit' me
We get drunk, bein' tipsy for sissies
Just might get locked up
Cause I can't stop the swervin' have these rims keep
hittin' the curves
And just me and my roll dawg always go half

when he got it man he won't crash
my mo'fuckin' patna
hit the trap, cut it, roll it, and smoke it and still got
some to put in the glass
my nigga just ought a
fill up
