I'm gonna get it and we gonna get it And you gonna feel it and you gonna get it I'm gonna get it and we gonna get it And you gonna get it and you gonna feel it

I'm gonna get it and we gonna get it And you gonna feel it and you gonna get it I'm gonna get it and we gonna get it And you gonna get it and you gonna feel it

I'mma shine, I'mma make it It ain't nothing to it, to it, I'll take it I feel it, I'll flip it Pull it, pull it till straight get it

I'mma climb, I ain't waitin'
There's no end to the money I'm makin'
For streetin', for chasin' we get it in
Might, might be the crunk hatin'

If ya don't believe you don't succeed And if ya don't apply you won't achieve Keep ya head up high, feet down low And follow your heart to get to the door

If there is a will, here's a way Never trust a soul I'm here to say Stop depending and be yourself And grab a hold and don't look left

So take a swing now here's your chance You got nothing to lose, make a stance See the clock is tickin' and time ain't waitin' When ya all alone see that's what you're facin'

I'mma shine, I'mma make it It ain't nothing to it, to it, I'll take it I feel it, I'll flip it Pull it, pull it till straight get it

I'mma climb, I ain't waitin' There's no end to the money I'm makin' For streetin', for chasin' we get it in Might, might be the crunk hatin'

Ya I know I'mma make it, I was meant for this I'mma with ya in the eye lookin' for the ten for this And I don't steal I pimp for this Ride round with a hundred round clip for this

What happened to the struggle, it's called eviction notice

Now people strong self eviction notice Prescription cops serve keep it real and fine But if I get caught with it I'll face some time

And it's hard being young and rich trying to survive Trying to keep a shot to shine on the poor headed ties

Couple mill and I buy new whip for the wife Talk that shit but this is my life

I'mma shine, I'mma make it It ain't nothing to it, to it, I'll take it I feel it, I'll flip it Pull it, pull it till straight get it

I'mma climb, I ain't waitin'
There's no end to the money I'm makin'
For streetin', for chasin' we get it it
Might, might be the crunk hatin'

I'm gonna get it and we gonna get it And you gonna feel it and you gonna get it I'm gonna get it and we gonna get it And you gonna get it and you gonna feel it

I'm gonna get it and we gonna get it And you gonna feel it and you gonna get it I'm gonna get it and we gonna get it And you gonna get it and you gonna feel it

I'mma shine, I'mma make it It ain't nothing to it, to it, I'll take it I feel it, I'll flip it Pull it, pull it till straight get it

I'mma climb, I ain't waitin'
There's no end to the money I'm makin'
For streetin', for chasin' we get it in
Might, might be the crunk hatin'

I'mma shine. I'mma make it

It ain't nothing to it, to it, I'll take it I feel it, I'll flip it Pull it, pull it till straight get it

I'mma climb, I ain't waitin'
There's no end to the money I'm makin'
For streetin', for chasin' we get it in
Might, might be the crunk hatin', I'mma shine

I'm gonna get it and we gonna get it
And you gonna feel it and you gonna get it
I'm gonna get it and we gonna get it
And you gonna get it and you gonna feel it, I'mma
shine

I'm gonna get it and we gonna get it And you gonna feel it and you gonna get it I'm gonna get it and we gonna get it And you gonna get it and you gonna feel it

I'm gonna get it and we gonna get it And you gonna feel it and you gonna get it I'm gonna get it and we gonna get it And you gonna get it and you gonna feel it

I'm gonna get it and we gonna get it And you gonna feel it and you gonna get it I'm gonna get it and we gonna get it
