It's Attic Crew, let me hear you holla U-WAAYYY

[Sean Paul]

Youngbloodz, back on mo' time

Wanna get yo Billy Dee, ya know I got mine

Gettin the club crunk, damn near drunk

Roll wit 45, 12 Peeves in my trunk

Give ya what ya want shawty, got what ya need

First some Billy Dee, second drank Hennessee

Center of attention, all eyes are on me

Oh, that's Sean Paul a.k.a. Sean Grease

Oh, nevermind him 'cause he always on that soft

And roll wit a group of felons that'll rip you off

He slum as hell, seven golds in his mouth

He slizzard as hell, always hollin 'bout the south

And every week at the club he always get kicked out

I really think they hatin, tell me what is this about

But everything good, 'cause we gon' keep it crunk

And Colt 45 gon' forever get drunk

[Chorus]2x

[J-Bo]

Get in the club, make the crowd go U-Way

It aint no thang shawty, get right to it

And see I'm gone on that get right fluid

[Chorus]2x

[J-Bo]

From the jump, we gon' keep this thang crunk, yes

Youngbloodz, Attic Crew, (U-WAAYYY) is what it be

See we guaranteed to shakem' off and throw 'em off

Now get it, get it shawty, what's up, now get 'em off

As we take you off and break you off one mo' gen

That's how we do it when we do it partna, in the wind

Wit 50 mo' Attic Fools shawty, steppin in

We to the ground wit this thang partna, 'til the end

Off in the club gettin slizzard shawty is what we do

Just like you cut dat bougie ho, yeah I done cut her too

Forever who from what we do, so we's against da grain

I am I, he is he and together we gon' regain and
entertain

So get on up and just bounce

Wit the hump-ta-hump off in the trunk, so just bounce

Now come on and jump on befo' you get left

This aint nothin you wanna miss, so now it's on to the
