Yes, you know that Jesus Christ is Lord. So we're getting  
jeezy with it.  
Right? Oh yes. Do!

(Chorus)

Do you know what it is to be born again?  
If you wanna know, ask me then  
Anytime, anywhere, doesn't matter when  
Jesus died for you,  
And you, and you, and you, and you

Well, when Jesus died in Calvary, he died upon the  
cross  
He died upon the cross to save the righteous and the  
lost  
He died to save the worker, and died to save the boss  
He died to save the jockey, and the owner fi the horse  
Me have something fi tell you, so you better give me  
pass  
If you hear what mi say, I know mi talk well fast  
I hear you cyan't hear, you better put on you glasses  
You have to got a heaven, Jesus a the cast  
Now, mi na haffi go a heaven inna brand new shoes  
No! You can't go there with you pants, batty bruse  
Mi sorry some a ou might think that word no fi use  
But mi haft chop the language o na make you confused  
Take mi lyrics sot apart, no mi put it in a cruise  
Anybody hear this, na no excuse!  
And the who is what, and the who is whose  
He no 'cept righteousness, Jesus na go use  
Him tell you how fi live, oh no no still a refuse  
A ball justice, like heap up on the evening news

Chorus

Jesus come dung ordinary, be a Christmas merry  
Exactly 'cuz a Mary, and common as a cherry  
Him a watch and know, just like them a speak cut them  
out a Pharisees  
And we pull you over when it necessary  
No matter with pon the wrath of God fi trunin

You na wan go a church, and you na like routine  
Routine a something good fi yall on a new thing  
So you a read the word a God adopt the true things  
Jus in a word, verse six and chapter fourteen  
Jesus a tell a who him is and him a tell them what it  
mean  
The way, the truth, the life, set up yes I read  
And the road to every way, and hea a well paba green  
Chorus

Well you think you born again, you haffi go back 'na  
your mother  
No, that go change your life you a go live like passa  
passa  
Love people like you sister and your mother  
Remember the Bible say one a fi go love one another  
Leggo the fussing, and the cussing, and the fight  
And nobody back bite and make we unite  
We are God-blessed people, so make we live right  
Like G-o-d no po all live upright

Chorus

Verse 1
