Verse1:

i stay fresh as i wanna be.
but i anit a wanna be,.
nigga wanna fuck wit me they better bring a army.
i coming through your hood like a sanami
and im looking for your girl fucking that punnie

now the beat has gone,fast so im rapping to it.
its fucking crazy you can call it stupid.
hop in your house, juust me no maskk.
heard your girl screaming so i shoot her threw the
glass.

but i leave niggas brainless(no homo), bitches on my
dick and they leave my piece stainless.
i dont frame niggas i do it by myself.
fuck you nigga i dont need nobody else.

Verse2:

ima big problem -- quick to catch a court case.
known to be a goblin killing at a fast pace.
im walking around with two hammers on my waist.
me and you one on one hit your face.
busted up lip, hope you like that taste.
fuck around your gonna get laced.
i come threw with a swag from head to toe.
coming in the club three other hoes.
nigga think he gully so he doing the gullycreepa.
dudes talking shit im put them in a sleepa.
i got the neck blue and yellow like Carmelo.
