Album: no saggy tips!

Verse:

Jake came home early from work one day  
He sat in the car and there he finished his parfait  
He thought that coming home would be boring  
He never thought he'd come in to find Jon scoring

Chorus:

When Jake walked in, he almost flipped  
Jon was on the couch with pants unzipped  
What Jake was thinking, he couldn't say  
Maybe he was wishing Laura were gay

Verse:

Everywhere that Jake goes there's one thing he sees  
It's the memory of his sister down between Jon's knees  
After he came in, Jake felt so sick  
Because he had walked in on Laura sucking on Jon's  
dick

Chorus:

Carefully Laura lifted her head from Jon's cock  
Her mouth was open and her eyes were wide with  
shock  
Jake felt that his eyes were going to burn  
But you've got to wonder what Laura got in return

Verse:

Jake ran out the door, he had to jet  
It reminded him of lonely nights watching Hamlet  
At that very moment he wished he had not been born  
This looked like a scene from his parents' porn

Chorus:

Jake had the image forever in his head  
He thought about it every night in bed  
Jake never wants to sit on that couch anymore  
It reminds him that Laura is a whore

Verse:

Jake was so scarred that he couldn't eat  
After walking in on Laura helping Jon beat  
Things now are awkward between Laura and Jake
