So I wanna sing my song. It's to God now.  
But I gotta say by like David and make and some  
declarations. (Sure!)  
Now you see the day and age that we're living in,  
you can't try to tief from the hand that feed you.  
My mamma's good, you know, but listen,

Father God I come to you  
Presenting mi heart and my life to you  
I present mi pain and my strife to you  
Present all my troubles and my worries to you  
That's what I want to do  
Oh Lord I come to you  
Presenting my heart and my life to you  
I stretch out mi hand and Lord, I give it to you  
That's what I do, hey  
Take it and do what you want to do, hey  
Father God I come to you  
Giving up everything just to live for you  
Leaving everything just to be with you,  
To sup with you to sing with you, Lord  
To dance with you, romance with you  
Do everything that you want me to  
To run with you, to laugh with you  
To smile, to smile, and to be with you

(chorus)  
May the words of my mouth,  
And the meditation of my heart  
Be acceptable in thy sight  
Lord, mi strength and redeemer  
Father God, may the words of my mouth,  
And the meditation of my heart  
Be acceptable in thy sight  
Father God, my strength and redeemer  
Yeah, yeah,

Our closeness is dat I want  
Our depth is dat I want  
To be deep and deeper, dat I want  
Jesus Christ is a dat I want

I want to have a new relationship  
I don't wanna quit  
I'm not going to jump off this ship  
Better relationship  
I'm not gonna quit  
No way me na go jump off this ship  
Me climbing up the mountain  
Drinking from your fountain  
I tell you now, mi going it higher  
Want to be with you, my Father  
'Cuz Jesus Christ you are mi lover  
Your pain can admit all of mi pressure  
Jesus Christ, nobody sweeter  
That's why I sing praises to you, Maker

Yeah, may the words of my mouth  
And the meditation of my heart  
Be acceptable in thy sight  
Father God, my Lord and redeemer  
Yeah God yeah, may the words of my mouth,  
Meditation of my heart  
Be acceptable in thy sight  
My Lord and redeemer

Jesus thee keep out thy servants also from  
presumptuous sins  
Let it not have dominion over me (no, no, no, no, no)  
Enjoy the upright (upright)  
And I shall be innocent (innocent)  
From the great, great transgressions (great  
transgressions)  
So let the words of my mouth  
Meditation of my heart  
Be acceptable in thy sight

Yeah, let the words of my mouth (the words of my  
mouth)  
And the meditation of my heart (meditation of my  
heart)  
Be acceptable in thy sight (be acceptable)  
Lord mi Lord and redeemer (yeah, yeah, yeah)  
Father God, may the words of my mouth (the words of  
my mouth)  
And the meditation of my heart (God, God, God, yeah)  
Be acceptable in thy sight (be acceptable, be  
acceptable)

You're incredible,  
And you're a faithful  
You're a wonderful  
You're a grateful

You're a sweet, sweet God  
That's why I sing praises  
Yeah, yeah, yeah, yeah  
Showing God love  
Yeah, yeah, yeah  
Lord God, I bless your name  
Lord, God I praise your name  
Lord God, I bless your name  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah
