Shah ka rutba shahanshahon si teri baat hai
Shah ka rutba shahanshahon si teri baat hai

Shahon ka jo shah uska tere sar pe haath hai
shahon ka jo shah uska tere sar pe haath hai
Tere qadmon ke tale mitti bhi sona ban gayi..
Jarr hua dushman jahan shamsheer teri tan gayi haan

Tu wali hai, tu meherbaan hai, Nigahbaan hai tu hi...
Hai farishte bhi parastish mein teri qurban wallah
Ban gaya qanoon jo bhi tu likhe parvan wallah ho

Nazara jannaton ka aaj tere rubaru hai
Tera lakht-e-jigar saaya hai tera hubahu hai
Haan sadqe aaj uske sar ke sehre ke sabhi hain
Ke teri saltanat ke takht ka jaan e sheen hai

Guroor yeh.. jalwa rahe
Udhta puha.. mukhta rahe
Teri jeet ki raftaar se har haar hai istad rahe

Teri kismat khud tere haatho'n khilona bann gayi
Jar huaa dushman jahaan shamsheer teri tann gayi
Tu wali hai, tu meherban hai, nighemaan hai tu hi
Hai farishtey bhi parishtish mein teri qurbaan wallah
Tu wali hai, tu meherbaan hai, nighemaan hai tu hi
Ban gaya kanoon jo bhi tu likhe parvaan wallah ho

Ghar deewane aam na ho..
koi Akbar na hua
Jo tumhare sar jhuke toh shenshah main hua
Allah raha mera har pal hafeez
Toh safar yeh tai hua

Ghar deewane aam na ho..
koi Akbar na hua

Ya wallah ya maula..

Chaar mazboot naujawan kandhe
Tujhko tere khuda ne bakshe hai
Inke haathon ki jo laqeerein hai
Tere dono jahan ke nakhshe hai

Zindagi toh har Qadam nayi disha mein hai
Yeh hi toh mere sheh-maat hain
Yeh dono meri Qaaynaat hain yaa

Chaar majboot naujawaan kandhe
Tujhko tere Khuda ne bakhshe hain
Inke haathon ki jo laqeerein hain
Tere dono jahaan ke nakshe hain...

Ya wallah ya maula..
