itsumo no kousaten de kare wa hoho ni kisu suru
mata yakusoku mo naku kyou ga umi no kanata ni
shizumu

heddofon wo mimi ni ateru
airurando no shoujo ga utau
yuugure ni wa setsuna sugiru
namida wo sasoi dashite iru no?

furikaeru doori wo wataru hito ni mitoreru
mata yakusoku mo naku kare ga biru no kanata ni
shizumu

heddofon wo mimi ni ateru
fazu no kiita be-su ga hashiru
yuuyake ni wa setsuna sugiru
namida wo sasoi dashite iru no?

ima no futari ni wa tashika na mono nado nani mo nai
tama ni wa kowagarazu ashita wo mukaete mitai no ni

I place the headphones on my ears and listen
someone sings a song, I feel so blue
now darlin' promise me
please tell me something words to soothe
I don't wanna cry
