Day after day I must face a world of strangers
Where I don't belong
I'm not that strong
It's nice to know that there's someone I can turn to
Who will always care
You're always there

When there's no getting over that rainbow
When my smallest of dreams won't come true
I can take all the madness the world has to give
But I won't last a day without you

So many times when the city seems to be
Without a friendly face
A lonely place
It's nice to know that you'll be there if I need you
And you'll always smile
It's all worthwhile

Touch me and I end up singing
Troubles seem to up and disappear
Touch me with the love you're bringing
I can't really lose when you're near

If all my friends
Have forgotten half their promises
They're not unkind
Just hard to find

One look at you
And I know that I could learn to live
Without the rest
I found the best
