She got a stomach like Ciara, hair like Beyonce  
Gabrielle Union smile, lips like Ashanti  
I'm K-Ci and Jo-Jo She is my Devante  
Titties muibe and Booty mucho grande

She is so exotic like she's from another country  
She is so erotic, download pornos every Sunday  
Freaky in the bed, I tie her up like a mummy  
I gotta let her meet my mommy

I think I gotta superstar lady, oh yeah, yeah  
She's addicted to the flashin' lights, camera, action  
A superstar lady, oh yeah, right out of Hollywood  
Everythin' you probably would want in a girl, so I

I break it down for shawty and she like it, she like it,  
yeah  
I break it down for shawty and she like it, she like it

She got them thighs like Angelina, Aguilera Christina  
Searchin' for my shawty, tell me have you seen her?  
Party like a Hilton, sex like a Kardashian  
God is so damn good to me, what more can you ask of  
Him?

I've got one of them Jessica's Alba, Beal, or Simpson  
Never been a harlot, she's a Scarlet Johanson  
She make me feel good every time that she get with  
me  
I can be her K-Fed, she can be my Britney

I think I gotta superstar lady, oh yeah, yeah  
She's addicted to the flashin' lights, camera, action  
A superstar lady, oh yeah, right out of Hollywood  
Everythin' you probably would want in a girl, so I

I break it down for shawty and she like it, she like it,  
yeah  
I break it down for shawty and she like it, she like it

She got a booty like Serena, thighs like Trina

Lips like that chick off of The Martin Show  
Gina Shawty always lookin' fly, every time I seen her  
I might let my shawty drive my beamer, yeah

See and me, I'ma be on the passenger side  
Other girls jealous, askin' me why  
And I tell them 'cause shawty is the baddest  
She a A+, you a C, just average

And I don't care if you get mad, bitch  
'Cause I know that you really wanna have this  
But the way that you look is tragic  
So don't let them disappear like magic

I think I gotta superstar lady, oh yeah, yeah  
She's addicted to the flashin' lights, camera, action  
A superstar lady, oh yeah, right out of Hollywood  
Everythin' you probably would want in a girl, so I

I break it down for shawty and she like it, she like it,  
yeah  
I break it down for shawty and she like it, she like it
