Z man in the house

what up what up,

Now here is a story from a to z

you stick your winky in the pussy

i go around, lookin for a chic

all them prostitutes, like my dick

when i go round, pimpin on the streets

all them women, been given me treats

i like them asses they go

up and down

just like them boobs they go

up and down

i'm goin to lick that chic

up and down

we're goin to my room to

fuck around

i can't think anymore so fuck dat

i like them asses they go

up and down

just like them boobs they go

up and down

i'm goin to lick that chic
up and down
we're goin to my room to
fuck around
hell yeah
peace out
