[P. Dot]

When I, exit the stage, and groupies all in my face  
I can't wait to get a call from my love, my love  
When I'm on the block scraped, try'nna, get off my  
pack  
My minds on my grind, and my love, my love  
Magnificent significant you, only someone as special  
as you  
Can make me do these crazy things that I do  
Your my pride, my joy, my all and all  
My backbone, my heart, my soul, my love, my love

[Thea]

I'm crazy for you...  
And it's all about you...  
I will never, ever, let you go...  
Without you, I just don't know you...  
I'm happy with you...  
Don't matter what you do...  
Even when you hurt me, so and so....  
I will never, ever, let you go....

[Chorus: Thea]

You are so wonderful  
You are so incredible  
You are my all and all  
My love (my love) my love (my love)

[Thea]

I'm hear for you... (I'm here for you)  
Without you, I can't do... (can't do, I can't do)  
I don't wanna go out alone...  
I am waiting for you at home...  
You belong with me...  
Without you, I can't be...  
You, are my, life...  
Without you, I will die...

[Chorus]

[P. Dot]

Earth angel, don't let this cold world change you  
Stay beautiful just like you are, I know it's painful  
To be alone, when I'm long gone away on tour  
You want my time, but I wanna give you so much more  
I ain't never been the one into relationships  
Hit the first night, wake up, like I hate the chick  
But you made me shift, switch me from that player shit  
Now I see me and you, on some Will and Jada, shit

[Thea]

My love, my love, my love, my love, your so incredible...

[Chorus 2X]

[Thea]

My love...

My love...
