I Know You're Out There, waitin' somewhere for me,
There's no question you'd be the answer to my prayers
I Know You're Out There

You might be a blonde, might be brunette
All I know is I haven't met you yet
Like every girl I meet ain't nothin' for love
But I ain't givin' up

Cuz I Know You're Out There, waitin' somewhere for
me,
There's no question you'd be the answer to my prayers
I Know You're Out There

You can be in Alabama, maybe Louisiana,
Or Nashville, Tennessee
Workin' at Wal-Mart, or down at the Sports Bar
I Know someday we'll meet,

Cuz I Know You're Out There, waitin' somewhere for
me,
There's no question you'd be the answer to my prayers
I Know You're Out There

I've been lookin' High and Low
I've been lookin' Far and Wide
For all I know you might be right befor my eyes

Cuz I Know You're Out There, waitin' somewhere for
me,
There's no question you'd be the answer to my prayers
I Know You're Out There
I Know You're Out There
