They're comin across the border by the thousands  
everyday  
Lookin' for a better life in the good ol' U.S.A.  
Well, everybody's talkin' about the aliens invadin'  
While I'm savin' every dime for a Mexican vacation  
Me, I'm headed your way, hasta luego Jose

You say "hola", I'll say "hi"  
When I pass you at the border slap me a high five  
You better pack a poncho 'cause it sure gets cold up  
here  
Me, I'm headed south for hot women and cheap beer  
Here's the keys to my Chevrolet  
You can have the house and the bills I pay  
Welcome to the good ol' U.S.A.  
I'm headed your way, Jose  
(Cuervo that is, lil' sunshine, some margaritas,  
Cabo San Lucas, maybe go see Chichinitza, I love that  
word)

Up here we work our asses off just tryin' to get ahead  
But you can't spend a dollar if you've worked yourself  
to death  
From what I hear you way of life is an afternoon siesta  
Then back to work for a little while for an all night long  
fiesta  
Me, I'm headed your way  
Well sounds to me like a pretty fair trade

You say "hola", I'll say "hi"  
When I pass you at the border slap me a high five  
You better pack a poncho 'cause it sure gets cold up  
here  
Me, I'm headed south for hot women and cheap beer  
Here's the keys to my Chevrolet  
You can have the house and the bills I pay  
Welcome to the good ol' U.S.A.  
I'm headed your way, Jose  
(White sandy beaches, pesos and jalapenos,  
Palm trees, ocean breeze, ah man, Dos Equis)

You say "hola", I'll say "hi"  
When I pass you at the border slap me a high five  
You better pack a poncho 'cause you'll freeze your ass  
off here  
Me, I'm headed south for hot women and cheap beer  
Here's the keys to my Chevrolet  
You can have the house and the bills I pay  
Me, I'm kickin' back in the Mexican shade  
I'm headed your way, Jose  
(Yeah, I'm hittin' the road, man, give me a little burro to  
ride on, you  
Can have my car, that gas is killin' me)
