She locked her fingers and bowed her head  
She said I'm late and I'm really scared  
Now you can go but I hope you stay  
I'm gonna keep it either way

In my daddy's El Camino  
In her driveway in the rain  
Staring through that windshield  
I could see my future change  
And heart hit like a hammer  
And my thoughts were running wild  
Any fool can make a baby  
But it take s a man to raise a child

I laid my head down on the wheel  
She said "I know, I know it don't seem real"  
She closed her eyes but the tears flowed through  
She said "don't hate me for loving you"

In my daddy's El Camino  
In her driveway in the rain  
Staring through that windshield  
I could see my future change  
And heart hit like a hammer  
And my thoughts were running wild  
Any fool can make a baby  
But it take s a man to raise a child

Oh, I could not reassure her  
I couldn't say what I had planned  
Couldn't put three words together  
So I just took her hand

In my daddy's El Camino  
In her driveway in the rain  
Staring through that windshield  
I could see my future change  
And heart hit like a hammer  
And my thoughts were running wild  
Any fool can make a baby  
But it take s a man to raise a child
