I be on that Philly
I be on that Philly shit
It's South Philly
That North West Philly shit

215 North Philly reside
Newest print on my lense
Five percent on my ride
King of Prussia keep me fresher
Got my Polos on
Let my cargos lay
With out the logos on
Hat low red fitted white P that's me
It's the act Nicholas one young EST
Gangster like Schoolly D
No fraudin in here
It's the Fresh Prince of the city
No Carlton in here
Soul Child of the music it's the home of the Roots
Living live like it's golden bumping Jill in the coupe
Head shots we run the streets on that DVD shit
And the bitches ride ruff on that Eve shit Yeah

[Hook:]

Platinum in a week nigga I be on that Milly shit

Fully loaded milly clip

I be on my trendsetters shit no Aphilliates

Party like it's south beach
I be in Onyx in my bag with the models
Or catch me at Delilah's with a bag full of dollars
