Always be momma's baby, always be daddy's girl
Right now she's makin' 'em crazy
Little Red Robin' Hood, big bad world

She ain't waitin' on twenty-one candles
She ain't missin' not a minutes of fun
She ain't worried 'bout one day older
Pretty little rebel on the run
She ain't trying to be hard to handle
She gonna do what a girl gonna do
She ain't waitin' on twenty-one candles
Sure ain't gonna wait on you

Can't be innocent forever, ain't never done anything
She'll tell you no but she don't mean never
Turned a corner when she turned eighteen

She ain't waitin' on twenty-one candles
She ain't missin' not a minutes of fun
She ain't worried 'bout one day older
Pretty little rebel on the run
She ain't trying to be hard to handle
She gonna do what a girl gonna do
She ain't waitin' on twenty-one candles
Sure ain't gonna wait on you

Her folks want to hold her back, but they don't know
how
She wants it all and she wants it all right now
Gonna get it all before the sun goes down
She ain't waitin'
She aint missin'
She ain't worried
That girl needs kissing

She ain't waitin' on twenty-one candles
She ain't missin' not a minutes of fun
She ain't worried 'bout one day older
Pretty little rebel on the run
She ain't trying to be hard to handle
She gonna do what a girl gonna do

She ain't waitin' on twenty-one candles
Sure ain't gonna wait on you

Yeah, them twenty-one candles
