You could say I'm a little bit crazy
You could call me insane
Walkin' 'round with all these whispers
Runnin' 'round here in my brain
I just can't help but hear 'em
Man, I can't avoid it

I hear voices
I hear voices like
My dad sayin' work that job
But don't work your life away
Mama tellin' me to drop some cash
In the offering plate on Sunday
And granddad sayin' you can have a few
But don't ever cross that line
Yeah I hear voices all the time

Turns out I'm pretty dang lucky
For all that good advice
Those hard to find words of wisdom
Holed up here in my mind
And just when I've lost my way
Or I got to many choices

I hear voices
I hear voices like
My dad sayin' quit the team
And you'll be a quitter for the rest of your life
Mama tellin' me to say a prayer
Every time I lay down at night
And grandma sayin' if you find the one
You'd better treat her right
Yeah, I hear voices all the time

Sometimes I try to ignore 'em
But I thank God for 'em
'Cause they made me who I am

My dad sayin' work that job
But don't work your life away
Mama tellin' me to drop some cash

In the offering plate on Sunday
And granddad sayin' you can have a few
But don't ever cross that line
Yeah I hear voices all the time
Yeah I hear voices all the time
All the time
