Helpless child

They invite your hands to fill their needs

Will you be the same

Shameless smile

To steal from you the innocence that bleeds

Will they feel your pain

Trying to believe

The scars unseen

The tears wash clean

You don't wanna breathe the air you breathe

You don't know how you'll live a life alone

She keeps holding on

Holding on to you

Let her breathe the air

Don't wanna be alone

Where do you belong

Anna Lee

Behind those eyes

The vivid scene

A lucid dream within

Questioned secrets are revealed

And every time

You can't deny

The lines that trace your skin

Wounds that never heal

Trying to believe

The scars unseen

The tears wash clean

You don't wanna breathe the air you breathe

You don't know how you'll live a life alone

She keeps holding on

Holding on to you

Let her breathe the air

Don't wanna be alone

Where do you belong

Anna Lee

And now she's calling out a name

Can't keep on hiding all her pain

You feel the rain move in

As you begin

To turn and answer the call

Trying to believe

The scars unseen

The tears wash clean

You don't wanna breathe the air you breathe

You don't know how you'll live a life alone

She keeps holding on

Holding on to you

Let her breathe the air

Don't wanna be alone

Where do you belong
