"Another Day"

Live another day
Climb a little higher
Find another reason to stay
Ashes in your hands
Mercy in your eyes
If you're searching for a silent sky...
You won't find it here
Look another way
You won't find it here
So die another day
The coldness of his words
The message in his silence,
"Face the candle to the wind..."
This distance in my voice
Isn't leaving you a choice
So if you're looking for a time to run away...
You won't find it here
Look another way
You won't find it here
So die another day
They took pictures

of your dreams

Ran to hide behind the stairs

And said maybe when it's right for you, they'll fall

But if they don't come down

Resist the need to pull them in

And throw them away

Better to save the mystery

Than surrender to the secret

You won't find it here

Look another way

You won't find it here

So die another day
