Silence disguised

I watch you

Show me the hurt

that haunts you

Would you despise the thrill

If all you hide were mine?

I can't hold on any longer

These feelings keep growing stronger

Echoes that deafen the mind

Will bury my voice in their wake

Caught in a web

Removed from the world

Hanging on by a thread

Spinning the lies devised in my head

I've seen the path

the one you take

shows the truth

for you to make

This turn of phrase

we might not see

is the thirst of desire

found so easily

Try to push me 'round

the world some more

And make me live in fear

I bare all that I am

made of now

Attractive I don't care

'Cause even when I danced with life

no one was there to share

Does this voice the wounds of your soul?

Caught in a web

Removed from the world

Hanging on by a thread

Spinning the lies

devised in my head

Tried to live the life

you live and saw

It doesn't work for me

I bare all that I am

made of now

Attractive, I can't be

Inside the Dance of Life is one

I'll never hold to me

You can't heal the wounds of my soul.

Caught in a web

Removed from the world

Hanging on by a thread

Spinning the lies

devised in my head

Caught in a web

Refused by the world

Hanging on by a thread

Spinning a cage

Denied and misread
