The smile of dawn

Arrived early May

She carried a gift from her home

The night shed a tear

To tell her of fear

And of sorrow and pain

She'll never outgrow

Death is the first dance, eternal

There's no more freedom

The both of you will be confined to this mind

I was told there's a miracle for each day that I try

I was told there's a new love that's born for each one  
that has died

I was told there'd be no one to call on when I feel alone  
and afraid

I was told if you dream of the next world

You'll find yourself swimming in a lake of fire

As a child, I thought I could live without pain, without  
sorrow

As a man I've found it's all caught up with me

I'm asleep yet I'm so afraid

Somewhere like a scene from a memory

There's a picture worth a thousand words  
Eleuding stares from faces before me  
It hides away and will never be heard of again  
Deceit is the second without end  
The city's cold blood teaches us to survive  
Just keep my heart in your eyes and we'll stay alive  
The third arrives...  
Before the leaves have fallen  
Before we lock the doors  
There must be the third and last dance  
This one will last forever  
Metropolis watches and thoughtfully smiles  
She's taken you to your home  
It can only take place  
When the struggle between our children has ended  
Now the Miracle and the Sleeper know that the third is  
love  
Love is the Dance of Eternity
