A single star behind me  
A red sky burns ahead  
A lonely light below me  
Awake among the dead  
An overwhelming feeling  
Leaves me numb and strange  
A sense of new beginning  
I sense a wind of change  
Out with the old useless  
People so cold ruthless  
Welcome in a new millenium  
How many times must I  
Live out theis nightmare I  
Can't wait until a new millenium  
I've got this feeling  
The tide is turning now baby  
Funny feeling  
Everything's gonna be alright now  
Living out a constant deja vu  
Keep your head up  
Please be patient we will get to you

Keep your head up

Just have some faith and you can see it through

Keep your head up

But faith don't pay the rent that's overdue

Keep your head up

All that's glittering is turning blue

Keep your head up

What they want from me ain't gotta clue

Keep your head up

Swallow pride before it swallows you

Keep your head up

Don't dare bite the hands that's starving you

Keep your head up

How can you keep your head

And not go insane

When the only light at the end

Of the tunnel is another train

The lies ten feet tall

Have broken my fall

Welcome you all new millenium

It's well overdue

And I can't wait to

Welcome in a new millenium

I've got this feeling

The tide is turning now baby

Funny feeling

Everything's gonna be alright now
