Lost in the sky

Clouds roll by and I roll with them

Arrows fly

Seas increase and then fall again

This world is spinning around me

This world is spinning without me

Every day sends future to past

Every breath leaves one less to my last

Watch the sparrow falling

Gives new meaning to it all

If not today nor yet tomorrow then some other day

I'll take seven lives for one

And then my only father's son

As sure as I ever did love him

I am not afraid

This world is spinning around me

The whole world keeps spinning around me

All life is future to past

Every breath leaves me one less to my last

Pull me under Pull me under

Pull me under I'm not afraid

All that I feel is honor and spite  
All I can do is to set it right  
Dust fills my eyes  
Clouds roll by and I roll with them  
Centuries cry  
Orders fly and I fall again  
This world is spinning inside me  
The whole world is spinning inside of me  
Every day sends future to past  
Every step brings me closer to my last  
Pull me under Pull me under  
Pull me under I'm not afraid  
Living my life too much in the sun  
Only until your will is done  
"Oh that this too, too solid flesh would melt."
