Hello, I just called to say goodbye
This time, I'm ain't changing my mind
So dont try...
I'm trying to play on my desire
'Cause your cheating, and lying
Already put off the fire
Many times, we've been down this road
I figured out, there's nowhere else to go

I just wanna be alone
We don't belong together
I just wanna be alone
I'm turning off the phone
I just wanna be alone
Nothing lasts forever
I'm better own, standing on my own

Goodluck, I hope you find what you need
But as for me
I know in life there's no guarantee
When I go to roll the dice
I makes some mistakes
But I won't make them twice
Many times, I've trusted you freely
I've drawn the line
I know what's best for me

I just wanna be alone
We don't belong together
I just wanna be alone
I'm turning off the phone
I just wanna be alone
Nothing lasts forever
I'm better own, standing on my own

Now I know for sure
What I didn't know before
And once again
A chapter ends and another one begins
Now I may not be wise
But I've opened up my eyes

I'll be fine, right now is my time
I know I'll love again

I just wanna be alone
We don't belong together
I just wanna be alone
I'm turning off the phone (oooooo)
I just wanna be alone
Nothing lasts forever
I'm better off, standing on my own

I just wanna be alone
I just wanna be alone
Nothing lasts forever
I'm better off
Standing on my own
